

Mrs. Wiggins'

Learning together • Working hard • Having fun • Developing character

Weeks of

Oct 21st & 28th

Weekly Note

I have been late in getting the last two weekly updates out - my apologies. We have had a couple of busy weeks since our GMS vote and the Federal election. I was thrilled to see so many students engaged in the process and willing to have informed discussions in class! Veteran's Week starts tomorrow and we will be working hard to prepare for the school Remembrance Day Ceremony on Monday, November 11th at 10:30am. You are welcome to join us if you would like to attend a local ceremony.

Karen

Math

Over the past two weeks we focused on exponents, square roots, and order of operations involving all operational components. We had a quiz last week and those should be marked and back to students by Tuesday or Wednesday. We finished the week with a look at data management and how to conduct a survey without bias.

Looking ahead... we will conduct a survey using primary data, analyze and draw conclusions from the data and then graph the results using pencil and paper as well as a spreadsheet and computer graphs.

Music (EMF7B)

This week we focused on "Hot Cross Buns" and recognizing notes not the staff. All students were encouraged to take their instruments home to practice. **Looking ahead...** we will continue in the method book looking at our 4th, & 5th notes. Students will have their first playing test (#18 - "Hot Cross Buns") on Tuesday, November 19th!

English

Over the past two weeks students have reviewed descriptive writing (5 senses, adverbs & adjectives) which included 2 mini-assignments, reading strategy #2 (asking questions), and completed and handed in their editorial cartoon. **Looking ahead...** students will be working on reading strategy #3 (visualizing) which is heightened by our look at Remembrance Day and the Veteran's Affairs publication "Canada Remembers Times" <https://www.veterans.gc.ca/eng/remembrance/information-for/students/canada-remembers-times/2019>

On my website this week you will find:

- TUSC roles for November 6th, 13th & 20th

On Google Classroom students can find...

- Reading Comprehension: "On A Wing and A"

Thank you Abby for emailing us some amazing pictures while you were in Paris!
